## WALK IN THE VINEYARDS AND WINE TASTING

From CHF 170.- for 1/2 day (4 people)

### Description

Valais enjoys extraordinary natural surroundings with a variety of biotopes and grape varieties that are unique in the world.

You'll be guided to discover the winemaking heritage of Valais through sunny vineyards on rolling hillsides, or perched at dizzy heights on high dry stone walls.

Walks through the vineyards, wine tasting, visits to wine cellars, create your own ideal visit depending on your own wishes !

### Programme / Itinerary

- > Walks through the vineyards, historical, cultural and landscape explanations on the theme of vineyards and wine
- > Wine tasting in the vineyard from a bottle in the guide's backpack
