Leisure activities and team building

Unique outdoor and indoor experiences, all year round

Between work sessions, Crans-Montana offers the ultimate playground for recharging, team building, and shared experiences. Whether it's skiing and hiking in alpine landscapes, golfing on two renowned courses, e-biking, savoring local wines, enjoying wellness workshops, or exploring cultural excursions, Crans-Montana offers endless experiences all year round. Tailor-made programmes are designed to suit your objectives and group size - whether for a few hours or a full day - ensuring memorable and engaging experiences for every group. —

Winter activities

Take your team from the meeting room to the mountains with a ski race, a day on the slopes, a snowshoe challenge or a curling session. Activities can be adapted to different levels and group sizes, making it easy for everyone to take part. Combining friendly competition, team spirit and a genuine sense of escape, these experiences create memorable moments and bring colleagues together in a spectacular winter setting.

Summer activities

Challenge your colleagues on an e-bike trail, hike through spectacular alpine scenery or enjoy a round of golf on one of Crans-Montana's renowned courses. From active challenges to more relaxed outings, programmes can be tailored to your team and the time available. It is an opportunity to step outside the usual working environment, reconnect and experience the mountains together.

Year-round experiences

Discover local wines, recharge during a wellness workshop or explore the region through a cultural excursion. These flexible experiences are easy to incorporate into a seminar programme, whether as a short break between sessions, an afternoon activity or the highlight of the day. They offer teams a different way to connect and share something beyond the workplace. —
