Monster Scooters

Price from CHF 80.- / person

Description

Departure from Crans-Montana (altitude 1,500m) to Sierre (altitude 500m).

The rugged path passes through fir and Scots pine forests, then crosses local vineyards with majestic views of the Rhone Valley and the Val d'Annivers.

Before arriving in Sierre, stop for an aperitif in natural surroundings to get your breath back, before attacking the most demanding part of the descent. The return uphill is by funicular to Crans-Montana, followed by a return to the Adrenatur base at Lake Moubra.
