E-bike excursion

From CHF 136.- / person

Description

What could be better than an e-bike for enjoying the entire network of cycling routes on offer in Crans-Montana? You simply need to choose from the 360 kilometres of road cycling routes and 270 kilometres of marked mountain bike, cross-country and endurance routes.
Head to the upper reaches of Crans-Montana with your team! It'll be the views and not the uphill ride that
will take your breath away: thanks to the electric assistance, each participant can adapt the level of assistance depending on their physical fitness. Everybody, however sporty, will be able to meet up at the top, and enjoy a memorable outing!
