Mountain bike discovery tour

Price from CHF 80.- / person

Description

With a network of 270 kilometres of marked mountain, cross-country and enduro trails, Crans-Montana is a limitless playground and offers a variety of possibilities for all levels.

This introductory course is designed for cyclists new to mountain biking, or for those used to flatter, smoother trails who are looking for additional skills for rougher terrain.

Highlights

> Explore the destination by mountain bike
> Try the «Skill loops» course
> Breathtaking panoramic views and a variety of different natural landscapes

Programme / itinerary

The itinerary includes:

> Exploring the destination by mountain bike
> Exploring the «skill loops» course, a didactic course with a mixture of bridges, ramps etc next to the Moubra lake, uniquely for those who want to take on a real cycling challenge.

The programme can be adapted according to the client's wishes and the level of the participants.

Meeting point: to be decided

Duration: 3 hours

Period / validity

> From May to October
> Minimum: 3 people
> Maximum: 40 people
